

FACE-BOX

BRANDED PHOTO MEDIA

“In Your Face” Marketing

FULLY BRANDED PHOTOS IN UNDER 15 SECONDS

FACE-BOX

Portable, Brandable
Photo Booths

Available NATIONWIDE, the **Face-Box** system is simply the best portable photo booth around. We hire the unit out complete with a trained operator who will install, run and remove the system for you. Ultra-fast technology produces a premium quality branded photo in an instant. Each booth is designed to allow a full brand wrap creating an arresting visual message. The sure way to drive your brand straight into everyone's heart and mind with a memory that lives forever.

RoVA

Roving Photographer Delivering
Instant Branded Photos

The ULTIMATE event and social photography solution. A mobile self-powered instant photo printer. Wired directly to the camera, the **RoVA** system prints a branded photo in less than 15 seconds. Supplied complete with an experienced photographer this is a must have at your next corporate party, promotion or year end function.

All our products have an unlimited print policy and we supply all images on CD as well as upload them to our web gallery for browsing and downloading.

BULK EVENT PHOTOGRAPHY

We tailor make solutions for your large scale events to deliver INSTANT fully branded on-site photos as guests have their photo taken. No more waiting your photos after the event.
